Nendaz Tourisme reserves the right to cancel any stay prior to its beginning for any reason whatsoever, including insufficient signup (fewer than 5 participants registered) or logistics problems that may impede stay operations. In case of cancellation on the part of the organizer, a full refund of the amount paid will be applied.

Alterations of the stay

By the client

Any change must be announced as soon as possible to the organiser, at the latest 31 days before the start of the stay in order to avoid cancellation fees. Changes in dates are possible depending on the availability of the service providers and the remaining places.

By the organizer

Nendaz Tourisme will tell you as soon as reasonably possible if any alteration to your stay must be made. Most alterations are minor, but very occasionally we might have to make a major alteration. A major alteration is a change of location or to a lower standard of accommodation for a substantial part of your stay, a change in start/finish dates or necessary price rise in your stay caused by rises in costs. You may then choose as follows:

- to accept these alterations
- to withdraw from the stay, in which case Veysonnaz Tourisme will repay all monies received including your deposit and this is the sum of our liability to you
- to accept an alternative stay suggested to you, in which case if the proposed stay is at a lower price you would get the difference back and if it is at a higher price you would be asked to pay for the difference.

You must inform Nendaz Tourisme of your choice as soon as possible after you were contacted.

Insurance & reimbursement

All clients need to be adequately insured against accidents for all activities they are taking part in. Nendaz Tourisme assumes no responsibility in case of an accident.
